

Town Council Report

Communications and Public Relations Committee Report

September 11, 2020

The Committee has not met formally since the last meeting held June 29th. Our only activity was a very successful Staff Appreciation Day held on Tuesday August 25th. The Committee organized lunch for all the entire Town Staff. Pizza, Salad, Drinks, and Homemade Desserts were the order of the day. Our Lifeguards were treated to Desserts and Drinks. Since their work did not allow for Pizza and Salad in the Lifeguard Chairs, we furnished Armand's Pizza Gift Cards for every one of the Beach Patrol Staff. Armand's Piazza kindly doubled the dollar amount of each \$15 gift card. We also furnished gift cards for our hard working Republic Trash Haulers. It was just a small thank you for all the hard work done by our South Bethany Employees during this difficult time.

Here's to more activities as soon as they are safely allowed. Stay safe out there!

Respectfully submitted,

Carol Stevenson, Chairman
